

OMEGA COMPRESSORS

For us, It`s not just business. It`s personal.

OMEGA AIRCOM Aluminum Air Piping

One Year Limited Warranty and Procedure

Omega Compressors warrants its OMEGA/AIRCOM products to be free of defects in material and workmanship for a period of one year from the date of purchase of the products. Omega Compressors makes no other warranties, expressed or implied. This limitation explicitly excludes an implied warranty of merchantability or fitness for a particular purpose. The sole remedy for breach of this warranty of material and workmanship or for negligence in manufacture or design is limited to replacement or repair, at the sole option of Omega Compressors, of any defective parts which are returned to Omega Compressors within one year of original purchase. In no event shall Omega Compressors be liable for indirect, special, incidental or consequential damages of any kind. No allowance will be made for repairs made by the purchaser.

This warranty is expressly in lieu of any and all other warranties and representations expressed or implied, including but not limited to, the warranty of fitness for a particular purpose and the warranty of merchantability. Omega Compressors makes no warranty that the goods sold hereunder are delivery free of the rightful claim of any third party by way of infringement or otherwise. There are no warranties, which extend beyond the description of the face hereof. The exclusive remedy for defective products shall be only as stated herein.

Omega Compressors does not warrant the design, assembly or installation of the system, but only the components as stated herein. Omega Compressors is not responsible for improper design, assembly or installation, or for any modifications of the OMEGA/ AIRCOM products. The warranty herein is void upon:

- Failure to follow any of the assembly or installation guidelines.
- Installation, repair or relocation of the components by a person other than a trained and qualified installer.
- Alteration, misuse or abuse of, or damage to, any of the OMEGA/AIRCOM products.
- Operation beyond the design range, excessive pressure or stress, or mishandling in any way.
- Use other than for the intended purpose or in a manner other than as specified by Omega Compressors.
- Improper assembly, installation, service or maintenance. This Limited Warranty, and Omega Compressors responsibility, may be further limited, but may not be expanded by Omega Compressors terms and conditions of sale.

This warranty is limited to the cost of the goods sold to the customer by Omega Compressors. No other costs will be incurred by Omega Compressors in the event of a warranty claim.
